# Perry County Farmer of the Year

Sponsored by Perry County FFA Alumni

Agriculture has been the focus of the Perry County fair since its inception. Ask a farmer why they want to farm and they will tell you that it is being a part of the numerous American farm families who continue to be stewards of our land and work each day to feed our growing world.

If you know anyone who has devoted their life to agriculture for more than twenty-five years and also is a resident of Perry County, that person may be our next *Farmer of the Year*. In order to nominate this individual, write a description (600 words or less) of telling why you feel this person should be considered for the *Farmer of the Year*. Be sure to include what makes this person stand out as an excellent *Farmer of the Year* candidate.

Nominations can be mailed to:

Jay Bratton, 2633 Raccoon Valley Road, Millerstown, PA 17062

Nominations must be postmarked by **July 15, 2023**.

**Lew Byers Farm from Millerstown

## **BOSTON BACHERT** VARIETY ENTERTAINER

### **JUGGLING MAGIC CIRCUS COMEDY**

The more I travel, the more I realize the need for empowering, wholesome entertainment in our communities. My goal is to meet that need through high-energy juggling, magic, comedy, circus arts, and audience participation. These mediums allow me to connect with my audience, giving them a unique experience that they will never forget - one that reminds them how special life truly is when it's shared with the ones we love most.

[www.bostonbachert.com](http://www.bostonbachert.com)

These doggies have traveled all around the country as well as the world. They have been to such places as Tigar Palace in Frankfurt Germany, Kinta Highland Resort in Maylasia Singapore, Magicland Amusement Park in Bangkok Thailand as well as amusement parks, theaters, festivals, and fairs throughout the US,

They have also appeared on Pet Star. All the canines are from rescues. Once they join the Kountry K9 Show they learn that they don't have it "Ruff" anymore.

We entertain with 10 highly talented canines doing such things as having skateboard races, walking on whiskey barrels, high perch a little bit of magic, and a whole lot more with a lot of knee-slapping comedy.

We are a self-contained liscened and insured canine attraction needing a 50ft. x 60ft. deep area to show everybody what we love doing with our forever family so keep an ear up and when you hear that we are in your area come check them out! Until then keep them doggies roll'in.
